Men's Dinner: It was another great night last Tuesday with 23 men in attendance. They enjoyed great fellowship and a scrumptious meal prepared by Lorna & Ann. Special thanks to John Henry for his informative address on Wills & Estates. Proceeds of \$220.00 will go to Missions.

Fr Max & Ros Bowers

As the sun sets in the west we bid a fond farewell to Fr Max & Ros as they leave us after almost 9 months of ministry. This photo was taken when Max & Ros were on holidays in Queensland a few weeks ago. It looks like they were getting in some practice for their trip to Kangaroo Island and then onto Adelaide to visit family & friends. Then later in the year Fr Max is taking a party to South Africa to see the Wilds of Africa. We wish them well in the future.
God Bless You Both

The Gisborne Guild is sponsoring this effort with members and others who would like to give their support taking an envelope with \$10.00 enclosed and asking to make it grow. They have three months to find various ways of using their gifts and talents.

Already ideas are being discussed and those participating are certain to have a lot of fun along the way. If you would like to give your support, envelopes are available from Elaine Millar or Trish Power. So far twenty-three people have taken up this exciting challenge. There are still seven envelopes remaining. If you would like to assist with this worthwhile effort please contact Elaine Millar or Trish Power. Also the Gisborne congregations are asked to check out the Time and Talents Table at the Old Vicarage. Each week this is well supported with cakes, jams, fruit etc.

UPGRADING OF THE VICARAGE TO A PARISH CENTRE

The vestry is in the process of upgrading the Old Vicarage to a Parish Centre. Much has been accomplished by a small group of volunteers. However more assistance is required if all the work is to be completed by the time Fr Greg Davies is inducted on the 22nd June. The biggest job that requires more volunteers is the painting of the interior trim, being the wooden windows, skirting and doors. This work can be undertaken at the volunteers convenience meaning that the vicarage can be opened at any time for such work to be undertaken. Ideally a volunteer can elect to paint a particular room. Please contact one of your wardens or the Parish Office if you are able to assist.

CALL FOR DONATIONS FOR THE REFURBISHMENT OF THE OLDVICARAGE

Over \$5000.00 has already been spent on upgrading the Old Vicarage and at least a further \$8,500.00 will be needed to complete the transformation.

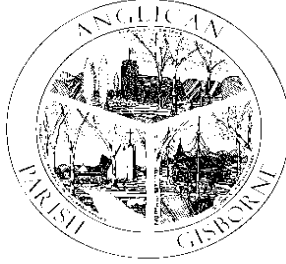

Additional funds are needed for :-

- * Carpet \$5,000.00
- * Furniture \$1,000.00
- * Guttering & Down Pipes \$500.00
- * Paint for the exterior \$2,000.00

Donations to complete the outstanding work has been received for:-

- * Carpets \$2,000.00
- * Guttering & Down Pipes \$550.00
- * General Donation \$500.00
- * External Painting \$660.00
- * Parish Centre Furniture \$700.00
- * Light Fittings & Repairs To Verandah \$270.00

This leaves a balance of \$3,820.00 to be found. Parishioners willing to donate funds for the Old Vicarage upgrade can make donations through their Wardens or the Parish Office

The Lord's Prayer

-your kingdom come- For some people, the great benefits gained from entering the kingdom will be discovered accidentally. What you devote your life to, is of the highest importance, whether it be sport, hobbies, your family, your job, or your church. Someone has said we can always find time for the things that are important to us. Where you spend most of your time, energy and money says volumes about the priorities of your life.

From The Christian point of view, such decisions have implications which continue on into the next life. The time is one of us coming for each one of us when our Lord will ask us about the treasurers of our lives. What issues have demanded our time, energy and money? Those who have put the kingdom first and have counted the cost will see their Lord face to face.

One helpful way of setting into meaningful prayer is to use the Lord's Prayer to focus upon the One to whom we pray. We must never use the word Father in regard to God in a cheap, sentimental way. God is not an easy-going parent who tolerantly shuts his eyes to all sins and faults and mistakes. This God whom we call Father, is the God whom we must still approach with reverence and adoration, and awe and wonder

PARISH MAGAZINE ARTICLE

WHEN a serious fire broke out on a cargo vessel in the port of Antwerp The Mission to Seafarers was on hand to arrange emergency accommodation and support for the sixteen-strong Syrian crew.

The 1974-built City of Berytus was in port unloading its cargo when, in the middle of the night, a fire broke out. The men on board immediately had to evacuate the vessel whilst the port authorities attempted to contain the blaze. The fire was so severe that it was left to burn for three days in a controlled fire, meaning the ship was only suitable for scrap.

"Because of the seriousness of the fire the crew left the vessel with only the clothes they were wearing," John says. "I took them to the Antwerp Seafarers' Centre where a store of second-hand clothing is kept and each of the crew members got kitted out in clean clothes. We also provided them with a Mission to Seafarers' telephone card so that each man could reassure his family at home that he was safe. Fortunately, none of the crew was injured in the fire."

Whilst some of the crew went back to the ship to see if they could salvage some personal documents, Mr Attenborough took the rest of the crew to a local laundrette to wash their smoky clothes and then to a nearby supermarket where the Mission purchased items such as toiletries for the men.

"All of the crew were very grateful for the help the Mission in Antwerp was able to provide," said John. "It was clearly a horrifying ordeal for the men to endure, but we have been able to support them emotionally and physically through it.

"Many of the crew were concerned that they would not receive their wages or compensation for the loss of personal items and asked me to speak with the local branch of the International Transport Workers' Federation. This I did and I was pleased to report back that they would be paid what was due to them and be repatriated home."

The Secretary General of The Mission to Seafarers, the Revd Tom Heffer, praised the work of the local Antwerp centre and commented that, whilst accidents at work happen, it is even more acute for seafarers.

"I am full of admiration for the efforts that John Attenborough and his team have gone to in supporting the crew of the City of Berytus. The work of the society is often quietly performed, but when emergencies happen, our chaplains are ready to step up and meet the need as required. Seafarers do not carry many personal belongings with them and so those items that have been lost in this fire will cause anxiety and heartache."

The Mission to Seafarers kept daily contact with the crew of the vessel until they were able to be flown home.

It is no longer I who live, but Christ who lives in me. And the life I live now in the flesh I live by faith in the Son of God, who loved me and gave himself for me.

Christ Jesus,
whose glory was poured out like perfume,
and who chose for our sake

GISBORNE OP SHOP - Can you help with an emergency shift at the Op Shop? At this time of the year many of our helpers move away on holidays and many move north to a warmer climate. For this reason and also because four volunteers have just resigned, there is an increasing number of helpers required at the desk and in the Sorting Shed. Although we are thankful that the shop is super busy, to maintain keeping it open at all times we need two helpers per shift. Urgent Vacancies Friday 10am-1pm one morning per month start June 25 Friday 1-4 1 day per month start June 18. For next 3 Months Thursday 1-4 start June 24 and Wednesday 1-4 start June 30. Also as there are 12 people working on their own at the counter if the Op Shop is to remain open when the Parish Office moves, these people will need a helper. If you can go on the emergency list or fill one of the four vacancies for one turn per month, Graeme Millar would be very pleased to hear from you on 54282522.
