

Once in a lifetime Christian Experience

Muslims believe it is essential to visit Mecca once in their life time. Surely as a Christian, a visit to the Holy Land, or to follow in the footsteps of Saint Paul, is a must in one's lifetime to see the bible truly come to life before your very eyes.

A *pilgrimage* awards the rare opportunity to walk in the shadows of greatness and follow in the footsteps of Jesus and his Disciples, using the Bible as your Guidebook.

A *pilgrimage* will bring the Bible to life and allow your Parishioners to truly come alive in their spiritual journey. No amount of biblical research, reading and scholarship can give as true a feeling, as a first hand visit.

A visit to Israel or Turkey will take your faith experience to a new level – one you will never forget in your lifetime.

A *pilgrimage* offers the unique opportunity to enjoy fellowship, strengthen relationships and form friendships when traveling together in a group. It is a rich experience that will be treasured and revered in the memories of all those involved.

We at Anglican Tours Australia organise pilgrimages to Israel (the Holy Land) and Turkey (Visiting the seven churches of the Revelation) and in the steps of St Paul.

We have also been linking parishes together who don't have the numbers to go alone.

If either yourself personally, or members of your church family would consider joining a future *pilgrimage*, you are encouraged to consider dates as listed on our special web site.

We would love to be able to help deepen your knowledge of the scriptures and to see the bible come alive right before your eyes
